REASONS FOR ALLOWANCE

1. The following is a statement of reasons for the indication of allowable subject matter: The instant application discloses a method for transmission of information in various carrier frequencies with frequency hopping. Prior art references (Altmaier et al., US Patent 5,471,503) show similar methods but fail to teach: **“when deciding step is positive, generating the sequence of random values upon employment of the initialization information”**, as in claims 1 and 6.
